

# SPACE

---

StudioGo gives users the opportunity to look for 5 different types of spaces. These include:

---

## **(1) Personal Spaces**

Allows for concentrated work flow.

## **(2) Collaborative Spaces**

For work in group projects.

## **(3) Presentation Spaces**

Used to share ideas.

## **(4) Making Spaces**

Has tools to help in creation process.

## **(5) Intermission Spaces**

A space that allows for breaks and peace of mind.
